Union Officials' Homes Are Bombed

DETROIT (AP)—The Detroit area homes of two Teamsters Local 299 officials were rocked by bombings last night. No one was hurt.

The bombs exploded outside the homes of Larry Campbell, 36, of suburban Inkster, a business agent, and Frank Fitzsimmons, of suburban Dearborn, secretary-treasurer and a Teamsters International vice president.

Campbell left home hours before the bombing of his front porch. He returned home at 8:30 a.m. He told police he had been out of town on union business.

Campbell's wife, Betty, 36, said her husband had told her he was going to a meeting of Teamsters Local 299, home local of James R. Hoffa, the union's international president.

Mrs. Campbell was asleep in a rear bedroom when the bomb exploded.

Fitzsimmons was at Local 299 headquarters at the time of the blast. His wife was not at home and a baby-sitter was caring for their two children.

The blast at the Fitzsimmons' home occurred beneath a 20-by-30-

inch steel plate which had been set on the front lawn. The explosive blew the heavy plate 19 feet through the air onto a neighbor's lawn.

The explosion at the Campbell home reduced a four-inch-thick concrete landing outside the front door to rubble.

Snow, Sleet And Cold Rain Sweep Over The North

By THE ASSOCIATED PRESS

Snow, cold rain and sleet hit much of the North today.

Snow fell from Minnesota eastward into Michigan. Wausau, Wis., reported three inches.

Light snow persisted in northern Maine in the aftermath of a storm that dumped up to 20 inches of snow on New England.

Thunderstorms boomed over Texas and Oklahoma.

Snow fell in Idaho and Montana while strong, gusty winds carried rain in northern California and the Pacific Northwest.

The latest national outlook from the Weather Bureau indicated Thanksgiving Day will be damp and dismal in many sections of the country.

Rain was forecast for areas in the East, Midwest, South and Far West. Snow may fall in some parts of the Midwest and Far West.

BUILDING DEDICATION—Mrs. T. H. Johnson (left), wife of the late president of the Bible College, registers happy surprise as she learns the recently-purchased dining hall has been named "Johnson Hall" in her honor. Presently serving as housemother at the men's residence hall, she has participated in the life of the college for thirty-five years. News of the honor was made public last night at the annual, all-school Thanksgiving banquet held in the new dining hall which was formerly a restaurant building located west of the college on Anderson Avenue. Purchase of the building was made possible by gifts from about thirty individuals and families from faculty and friends of the school. Her son, Prof. Daniel T. Johnson, (standing) placed a large portrait and plaque on the wall of the building, read letters of tribute from early graduates of the college and gave a personal message of honor. Others participating in the dedicatory activities were: Mrs. W. F. Lown, Mr. J. David Arnold, Dean James Lackey, Prof. James B. Carr, Mr. Charles Cook, representing the trustees, Prof. Benjamin Duerfeldt, Miss Reba Harris, Steve Winners and Mr. Richard Donovan.

K.U. Plans Campus Changes

KANSAS CITY (AP)—Sweeping changes at the University of Kansas in the next 10 to 15 years were predicted last night by Chancellor W. Clarke Wescoe.

"Our campus will look different," the chancellor said, "We have decided that we will not spread to our periphery without purpose, and in order to do that some of the old must go."

The chancellor, two faculty members and Jack Mitchell, football coach, spoke at Kansas City's annual KU alumni dinner.

Mitchell said his football team may be over confident for the Missouri game Saturday.

"We've got to do something to create fear in our football squad," he said.

The projection of the future constructed by Chancellor Wescoe and the deans is incorporated in a booklet distributed to the al-

um. The chancellor predicted enrollment will double, to 20,000 to 22,000.

Half the junior class will be studying abroad, with an equal number of foreign students taking their places.

Dean Kenneth Anderson of the school of education spoke on general challenges in that field.

Prof. Calvin Vanderwort, chairman of the chemistry department, spoke of activities in science.

Dr. Wescoe promised: "As we develop our physical facilities, so will we develop our faculty—not only in numbers, but in distinction."

Dr. Wescoe promised: "As we develop our physical facilities, so will we develop our faculty—not only in numbers, but in distinction."

The program opened with devotions given by Mrs. Bertha Wonder, and musical selections by the Boy's Glee Club.

The main speaker was Rev. Julian Johnson who delivered a Thanksgiving message, followed by selections presented by the Girl's Glee Club and Chorales.

The closing benediction was presented by Jan Goodrich.

CHICAGO GRAIN

CHICAGO (AP)—There were a few bullish influences in the grain futures market today, but they were minor and rather quickly discounted in slow transactions on the Board of Trade.

The most significant factor was the government's report on soybean crushings in October. It was at or near a record high and brought out a scattered demand among speculators. However, its effect was limited to the nearby months.

Corn was the firmest of the grains with advances going to major fractions of a cent at times which dealers said was influenced largely by small cash grain arrivals and the probability that completion of the harvest would be long delayed by wet fields.

Estimated carlot receipts were wheat none, corn 137, oats 7, rye 1, barley 3 and soybeans 6.

Wheat was unchanged to 1/2 cent a bushel lower at the close, December \$2.03 1/2-3/4; corn 1/4 higher to 1/2 lower, December \$1.10-10 1/4; oats unchanged to 3/4 higher, December \$1.37 1/4-3/8; ryebeans 1/2 higher to 2/3 lower, January \$2.43 1/4-3/4.

U.S. Takes Action

On Unions Fining Its Own Members

WASHINGTON (AP)—The government's chief enforcer of the laws on worker-employer relations started a move today to outlaw union fines for members who produce more than the union likes.

The action was directed against Local 283 of the United Auto Workers Union based on charges filed by employees of the Wisconsin Motor Corp., West Allis, Wis., that the union is suing them to collect such fines.

Under the union production norms, it was said, most employees of the firm were able to finish up a normal day's work two hours before scheduled quitting time.

Stuart Rothman, general counsel of the National Labor Relations Board, announced he had directed a complaint against the union as a test legal case because similar charges of union-imposed production standards have "recently arisen with some frequency."

The union was said to have originally imposed only token fines of \$1 on over-producing members but lately to have adopted a policy of levying penalties of \$50 to 100 in cases of "flagrant conduct unbecoming a union member" in outdoing union production standards.

Several months ago the union filed suit in Milwaukee courts seeking to force collection of fines on members who balked at paying them.

Rothman said that imposing fines to discourage employees from meeting an employer's production requirements is in effect requiring the workers to engage in a slow-down. This could enable the union to enforce production standards it had been unable to negotiate in collective bargaining.

4-H Judging Teams To International Show

Kansas 4-H livestock and poultry judging teams are taking part in contests this weekend as a part of the activities of the International Livestock Show.

On Friday the Rooks County poultry team will judge Wilma Hazen, Vane Maddy, Richard Williams, Stockton; and Terry Odle, Glade, are the team members.

Mr. and Mrs. Warren Harding, Stockton will accompany the team. Harding is Rooks County agricultural agent.

The livestock judging team from Linn County will enter the contest Saturday. Members of the team are George Hightower, Richard and George Teagarden, La Cygne; and David Ungeheuer, Centerville. V. E. McAdams, extension specialist in animal husbandry, Kansas State University, Manhattan; and Don Pretzer, Mound City, Linn County agricultural agent, will go with the team.

The teams were first place winners in state contests during the 1961 Kansas State Fair.

THANKSGIVING TURKEY DINNER With all the Trimmings Take Your Family To The WAREHAM HOTEL COFFEE SHOP They'll Appreciate It!

UNION NATIONAL Thank - A - Gram November 22, 1961 Dear Friends; Thanksgiving is the traditional American day for giving thanks. Certainly then we here at Union National Bank want to say, "Thank You" and to tell you how much we appreciate your letting us help you during 1961. With 1962 about to begin, we hope that if we are not now serving you, you will give us the opportunity in the new year. May your Thanksgiving and holiday seasons be filled with personal satisfaction and joy. And may 1962 bring you health, happiness and prosperity. Sincerely, TOM GRIFFITH Chairman of the Board

Let Us Really Be Thankful Once again we Americans pause and give thanks to our Heavenly Father for the many blessings that have been bestowed on us here in the citadel of freedom.

So many of us as we journey on life's road fail to realize how many things we have to really be thankful for. So often we are plagued with the little defeats, disappointments and frustrations that are all part of living that we fail to really stop and consider the million little things we have to be thankful for.

Really, how thankful are you for being able to sleep at night without the fear of secret police breaking into your home? How thankful are you that you can attend the church of your choice? How thankful are you that you can be just what you want to be?

These are the real things we have to be thankful for. Stop for just a few moments and think and you will find in your heart and soul the many true blessings we have.

When we meet failures in life, when our fellowman rejects us we still have the greatest gift to be thankful for, A Loving Father in Heaven who knows our every wish and need and to whom we can always turn and say, "Unto Thee Oh Lord will I lift up mine eyes." Let us really be thankful on Thanksgiving Day.
